

Fire and Ice Adventure

Itinerary

Day 1 Running Hot

- 1:00 Arrive at Artech Studio in Tory Hill - <http://artechstudios.ca/>
- 1:15 Fire up the kiln with world famous Terry and Jennifer for an introduction to the fine art and science of glassblowing. Inspired by the amazing work of these two talented artists, you will create 2-3 pieces of glass art.
- 5:00 Arrive and settle in accommodation
- 7:00 Dinner at one of the following:
Hankook E Korean Cuisine (Haliburton) <http://bit.ly/2dy6gTv>
McKecks (Haliburton) <http://www.mckecks.ca/>
Stone 21 (Haliburton) http://www.pinestone-resort.com/dining-en.html#item_1
- Return to Arching Pines Bed and Breakfast

Day 2 Running Cold

- 8:00 am Breakfast at accommodation
- 9:30 Choose one activity
- Scale the Slippery Slope - An Introduction to Ice Climbing*
Climb a man-made 50 ft Ice Tower at Medeba <http://www.medeba.com/>. An experienced instructor will provide you with the fundamentals of ice climbing and guide you up a vertical wall of ice! A fun safe introduction to a very cool winter adventure. Enjoy a snack and hot beverage in the warming hut.

OR

A Walk into Winter

Take a walk on the wild side. Start your day with an introduction to snowshoes – history, types, techniques, and tips. After some practice you will head out on a wilderness walk to discover the ecology of winter and the finer points of winter travel and survival.

OR

Boshkung Big Ones

You will spend some quality time jigging for lake trout on Boshkung Lake, one of the most productive lakes in the Haliburton Highlands. Gear and hut provided

12:30 Lunch at Rhubarb (Carnarvon) <http://rhubarbhaliburton.com/> (optional)
Depart for home

Value \$500
